LVSOA/PIAA – Preliminary list of playoff recommended officials – Spring 2009

Below are the preliminary results of the LVSOA/PIAA playoff officials' nomination procedure, as conducted during the meeting of Wednesday 15 April 2009. Over 65 of the 114 active LVSOA/PIAA officials satisfied the selection criteria.

Officials are reminded of the following:

- These results are preliminary, and are subject to independent verification. Any necessary revisions will be provided after verification is complete.
- LVSOA/PIAA chapter recommendations do not guarantee playoff assignments, nor do they eliminate officials from consideration for playoff assignments.

Playoff assignments are made by District XI and PIAA, based on their established policies and guidelines. Several criteria may be used in the assignment process – including, but not limited to:

- Experience at the senior high school varsity level, including working a senior high school varsity schedule during the season
- Availability
- Input from the league assignors
- Input from the officials' chapter
- Input from coaches and administrators
